

***Even though a list is provided below, please do not assume that all programs will be approved and please email nmanp.cme@gmail.com about particular CMEs.**

Some sponsored by businesses, some free, some require a fee - we linked to on-line information but some of these have in-person conferences available as well:

Gaia Herbs - free monthly-ish CME webinars - <https://www.gaiaprofessional.com/users/login>

Biotics (used to have annual local events in ABQ - hopefully these start up again) - usually a nominal fee is requested when they offer CE - we can communicate with rep to request NMANP pre-approval or other pre-approval - if there is enough interest from our members for them to do the work.

Bryan Walsh, ND, <https://www.metabolicfitnesspro.com/> Not clear about CE offerings, but great on-line medical/functional medical education to be aware of nonetheless.

Paul Anderson, ND, <https://www.consultdranderson.com/> - bonus info: the last two years there has been a Black Friday sale for \$25 courses

Medscape free CE on-demand <https://www.medscape.org/>

OncANP, <https://oncancp.org/upcoming-webinars/>

SIO (Society of Integrative Oncology), <https://integrativeonc.org/>

NAPCP (Naturopathic Academy of Primary Care Physicians)
<https://www.ndprimarycare.org/online-ce>

eeds.com

<https://kessjones.com/nmopioidhub/>

sernasolutionsllc.com

Botanical Medicines Conferences that are held bi-annually have been a good price for a big bulk of CMEs in one weekend. There are also opportunities for Pharm CMEs in these conferences:
